1967 ANNUAL MEETING

If you haven't sent in your reservation card for the 1967 Annual Membership Meeting you had better get on the ball and send it today. Those who are going are sure to have a good time. Here is a tentative schedule of what will be going on and what you should expect.

There will be a plant drawing again this year at all group meetings provided there are enough plants donated. Members who donate plants are asked to have them tagged showing the variety and the donor. Be sure to check them in with the Executive Secretary so that he can number them. Drawings will be made at all group meetings during the convention. You will find coupons in your convention information to be filled out and dropped in the squirrell cage.

Dust off last year's outfit for the loud shirt, skirt and shift contest. Or better yet make a new

(Cont'd on page 10)

HIBISCUS "A" PLENTY

LOTS OF NEW NAMES

MANY GOOD OLDIES

GRAFTS OR OWN ROOT STOCK

OVER 500 STOCK PLANTS GROWING

ALSO MANY BOUGAINVILLEA AND

FANCY HYBRED CROTONS

HOMESTEAD NURSERY

JUST NORTH OF HOMESTEAD

ON ROUTE 27

NOMENCLATURE & SUPPLEMENTS

All members should have received the new supplements by now. Also all new members should have received the entire nomenclature.

The Executive Secretary has a request to make. Some of the new members were a long time getting the nomenclature. This was caused by the supply running out. When these were mailed they contained the new supplement sheets also. The trouble is the Executive Secretary did not keep these address plates separate and he does not know for sure who received the complete nomenclature.

When he was ready to mail the supplements he pulled all address plates of members with a date of 10/1/67 or later and did not send supplements to these members. Please check your nomenclature book to see if yours is complete. The easy way to do this is to look at your "Index by Type". If you have index pages (1) through (13), you have received a complete set of nomenclature pages. Be sure you have worked all your supplement pages into the original book before checking.

If you are missing the supplement or a page has been left out drop the Executive Secretary a card so he can get yours correct.

The Executive Secretary would like to thank friends and members of the Ridge Chapter who worked so hard in putting the nomenclature and supplements together recently. Those working were: Ed & Bill Bryan, Marge and Lee Trainor, Fred & Vera Eaton, Irene Estey, Marguarite Trainor, Catherine Alexander and her son Deanie, Evelyn and Jimmie Monroe and their daughter Joyce. Thanks a million, Gang. You only put together 50,650 sheets of paper. You walked a total of more than 11 miles doing it.
